## **Universal Periodic Review of Senegal**

5 November 2018

### Intervention by the delegation of Liechtenstein

---

Liechtenstein welcomes the distinguished delegation of Senegal and wishes to thank for the valuable information provided in the introductory statement as well as in the national report.

(Liechtenstein welcomes the various measures taken by Senegal to address and eliminate corporal punishment against children.) Liechtenstein remains concerned, however, about the absence of a comprehensive and explicit prohibition of corporal punishment. Liechtenstein recommends that Senegal repeal all provisions that authorize corporal punishment, including article 285 of the Family Code and raise awareness among the general public of the negative consequences of corporal punishment against children.

(Liechtenstein welcomes the various measures and initiatives taken by Senegal to combat child labour.) Liechtenstein recommends that Senegal establish mechanisms and services to protect children at risk of becoming subject to child labour.

Liechtenstein recommends that Senegal ratify the Rome Statute of the ICC as well as the Kampala amendments to the Rome Statute. Furthermore, Liechtenstein recommends that Senegal join the Code of Conduct regarding Security Council action against genocide, crimes against humanity or war crimes, as elaborated by the Accountability, Coherence and Transparency Group (ACT).
